Re: Change of Ownership and Control – Andalex Resources, Inc.

Dear Pam:

On behalf of UtahAmerican Energy, Inc., this letter follows up on our correspondence dated August 15, 2006 regarding the change in ownership and control of Andalex Resources, Inc. ("Andalex"). Murray Energy Corporation is contributing all of the shares of the common stock of Andalex and its subsidiaries to its wholly owned subsidiary, UtahAmerican Energy, Inc. The Utah operations of Andalex including the Crandall Canyon Project, West Ridge Project, Tower Division, and the Wildcat Loadout will remain in the name of Andalex and its subsidiaries. The change in ownership and control will not result in name changes regarding the permitted operators of the Andalex operations and will not involve a transfer, assignment or sale of permit rights pursuant to R645-303-300. UtahAmerican Energy, Inc. will be providing the Division with updated ownership and control information in the near future.

Thank you for your assistance in this matter. Please let Dave Shaver or me know if you have further questions.

Very truly yours,

Denise A. Dragoo
